ACTIVITIES

The **Student Council** officers at RVIS are elected annually by their peers. The council is made up of four members that strive to give voice to the student body and provide leadership for ongoing projects. The **RVIS Athletic Program** is a member of 3 leagues that give students the opportunity to compete against schools locally and in the region. RVIS offers a wide range of sports activities to allow students to develop their athletic skills. RVIS's ongoing **Riffa Views in Action (RVIA)** service group provides service to people locally and abroad. These student-driven projects are a core part of our secondary school and have lasting impacts on their participants.
