

# 3 High School Graduation Tracks

RVIS is dedicated to personalizing the learning experience for each student. Throughout your child's high school journey, they will receive the support they need to make the academic decisions that will lead to a successful post-secondary experience. Starting in grade 11, students have the opportunity to choose between three unique tracks suited for their learning style and needs.

## TRACK 1 RVIS Diploma

## TRACK 2 Certificate Program

## TRACK 3 Full IB Diploma Program

### What is it?

The RVIS Diploma is equivalent to an accredited American high school diploma. Students are not required to take any IB classes.

This blended program allows students to take both regular high school and DP courses. The selection is based on interests and potential career path.

A rigorous two year program where students take a range of IB courses, engage in a long-term research project and lead a major initiative.
